## INTRODUCTION

Spray Foam Kings, (SFK) is a rapidly growing Fireproofing & Foam Insulation company, disrupting the construction industry, working to become the industry leader within Ontario.

SFK was established in 2019 with its Head Office located in Aurora, Ontario. Though we have a short history, our team possesses over 20 years of industry experience. We have rapidly grown our market reputation through a focus on customer service, communication, and execution.

SFK has been providing support and services to many industries, contractors, and trades in the region.

SFK is a **licenced** and **authorized** applicator of Fireproofing and Foam Insulation services.

SFK fireproofing division applies spray applied fire resistive materials (SFRM) as well as fire coating services.

SFK provides in-house services for coating, sand blasting, steel curing and painting allowing for superb coating capabilities and quality control for our clients.

SFK supplies and installs both commercial and residential spray foam insulation, blown in insulation and are one of two approved K13 sound barriers licensed applicators.

From daily rate work to large projects, SFK has the expertise and capacity to realise our clients' goals.
